Comments on Overall School Rating?

At 61 years old and attending my first golf school of any kind I was thoroughly pleased. I was able to gain the knowledge of on course management and how to handle all the situations that I would normally just guess on. Having the trained eyes of professionals watching my every move and implementing their corrections is going to go a long way for my game. The practice drills I have learned will help keep me in tune and hopefully get me to that elusive par round. I will definitely be returning in the future.
