## Academy of Golf Dynamics Survey

**Q5** How would you rate the school overall? (1 being lowest and 4 being highest)

\*  1  2  3  4

comments(optional):

Honestly, everybody was encouraging and very helpful. I am a beginner and I had not gone out to the range and hit balls ahead of time or practice at all. I am 59 and my wife and I have decided to start playing golf. I know it was frustrating for the instructors to deal with someone who knew nothing about how to swing a golf club but they never showed their frustration. They were very patient and gave me lots of tips on every aspect of the game. I am going to come back this year with my wife and two daughters. They all want to learn how to play and I told them they need to get started right. Whether you are a scratch golfer or beginner, this school will help every aspect of your game.

**Q6** Would you recommend our school to others?(1 being lowest and 4 being highest)

comments(optional):

I came to this school with a three other guys, one of which is a 4 handicap and very cocky about his golf game. He was blown away by how much he learned and how helpful all the instructors were. He was very hesitant to come with us but was very glad he did.
